doodad credit program

We expect to be paid within 30 days unless you make prior arrangements. Occasionally, we offer discounts for earlier payments. Let us know if you are interested in an early payment discount. If you pay late, expect a 1.5% monthly surcharge on the late portion. If we have to pursue collection of your account, you'll have to pay for all fees including collection agencies, legal fees, court costs, not to mention the surcharge. We hope it never comes to this but you should know what happens if it does.

In some cases, depending upon any number of factors including amount of credit requested, your credit history and the type of business, we may require personal guarantees or a partial cash down payment before we accept your order. Once we get to know you, we are generally happy to extend credit to you.
